#### THE WINNERS CIRCLE

At the June 9 meeting HA-HA winner was Fred D'Alessandro, 50-50 was Kevin Barkley and Art DiGerbo. Will Fred find his raffle tickets by the next meeting??

#### LIONS MAKE GRAND STAND

The Galway Lions Ben at the Saratoga County Fair in July fell short of its public relations goal. Those Lions who manned the booth for the Sight and Hearing Conservation found few people interested in the free literature on display. Many suggestions were noted for future informational exhibits such as selecting a better site or how to give the exhibit more PIZAZZ!

Visitations - Great fun, and earn our club points!!.

LOST AND FOUND DEPARTMENT - Missing Signs???

Lions Brundige and D'Alessandro reported on the progress of erecting the Club signs at the June 9th. meeting. Although they were unavailable for comments before press time, we are certain that there are, significant circumstances surrounding this mystery. Could it be that local members of the Kiwanis and Rotary Clubs are responsible? At a recent Board meeting Lions George Cervenka and Don Shearer were added to the sign installation crew, and Fred D' will set a date to do it.

FINER POINTS - June 9th.

Dusty, the King - Did he lose his Pin, Gavel and Agenda?  
Lion Jerry (manager) Burt - Has only two neckties, both horrible!  
Lion Jon Hallgren - no pin.  
Lion Bill (3-in-one) Brundige - no button, no tie.

WELCOME - NEW LIONS (Jim)<sup>3</sup>

A FEW DUSTY NOTES

The word that causes Lions tails to tremble is DUES. This year we will all have to take the full lions bite of \$24. Your Board of Directors has generously consented to allow members to pay them in two \$12. installments due September 22 and January, 1981 !!

Our Community Fund goal for this year is set at \$2,500. Your chairman will be showing us how we can attain this worthy goal.

Dusty thanks all who filled in for him during his ten week absence from Galway. Our special thanks to Lion Chuck Perrett for his work on the club rosters, address labels and letters to the exchange students. Our welcome to Lion Brian Culver as co-editor to the newsletter. You are all, of course, welcome and encouraged to add your 2% worth also. See your Aug. '80 issue of the Lion.
