

## Facebook Security

You have a Facebook and you have been watching but you are still concerned about securely sharing pictures and information. Join Michol and learn how to secure your Facebook page, create lists of people, and post publicly, privately, in a message or to a specific list of people that you have created. This program will be hands-on and be presented at a slow pace.

**Facebook Account Required**

Thursday October 23 at 6:00pm

## Intro to Twitter

In this program you will be learning how to use twitter! What is a Tweet? **What's trending? What do #Hashtags** do? How do you reply? All of these questions and more will be answered in this hands-on program that slowly walks you through the set up of a new twitter account. We will show you how to tweet and keep up with everything.

**Current E-mail address required**

Thursday October 30 at 6:00pm
