A little late, but a sincere Thank You! Sixth graders from Joseph Henry Elementary School worked hard raking, weeding and planting flowers in preparation for the Memorial Day holiday in the village. Working with the students were members of the Glenville Hills Garden Club, sixth grade teachers, parents of the students, and community members. They worked at the school grounds, the three village churches, the ambulance building, post office, library, village green and Town Hall. The Galway Village Police also helped by patrolling the streets to ensure the safety of the students. Thank you to all participants with a special thank you to the coordinators of this project: Phyllis Sleeper, Darby Neahr and Carla Gload. This was truly a community effort.
