Dear Friends and Neighbors:

Once again, for the 19<sup>th</sup> year, the Galway Lions Club will host "ROSIE'S WALK FOR DIABETES" which is our annual walkathon dedicated to the effort to prevent, treat and cure diabetes. Our event is important if you or someone you know are challenged by Type 1 diabetes, Type 2 diabetes or pre-diabetes. Since its inception, it is estimated that Rosie's walk has raised more than \$175,000 for diabetes research and other programs.

THIS YEAR ROSIES WILL START FROM THE LION'S BUILDING ON EAST STREET (COUNTY ROAD 45)

Due to the school's construction project, Rosie's Walk will originate from the Lions Building (baseball field and food pantry) on Ballston Galway Road next to the Galway Emergency Medical Services building. Our same course will be followed and our same traditions. We will also offer additional and important information about living with diabetes and will have some of our "COFFEE w/o SUGAR" diabetic friendly treats for participants and guests to sample.

We continue to be tremendously grateful to our local business community who, through the good and bad cycles of the last 19 years have donated generously to our event. One third of the amount raised by the walkathon will go to the Galway Public Library to be used as most needed. We welcome the efforts of the Library to bring diabetes awareness and assistance to the Greater Galway area.

We are again a "LIONS STRIDES" event for diabetes awareness. Diabetes awareness, prevention, treatment and cure are new goals of Lions Clubs International, our parent organization. In 2017 the Lions turned 100 years old and dedicated the next 100 years of Lionism to additional goals including sight, hearing, hunger, youth and the environment, including diabetes awareness.

Remember, you too can fight pre-diabetes. Getting exercise and losing only a few pounds can make a big, big difference.

Rosie Eaton was a Galway individual who suffered from Diabetes but refused to let it dampen her spirit of love, peace and friendship and this 19<sup>th</sup> Walkathon is again dedicated to her memory.
