I wanted to take a minute to thank everyone in the communities for such a warm welcome. I would like to encourage everyone to be an active part of the library and the community. Please feel free to communicate any questions, concerns, or comments. I have received a lot of feedback requesting more programs. Rest assured more programs are on the horizon! I anticipate having a good deal of programs in April on a variety of subjects for all ages. If you are interested in volunteering to present a program please let me know! You can also find updated information on our website as it becomes available!
