The Summer Reading Program goes through August with exciting science-based programs, experiments and crafts to be held nearly every day the library is open! Sign up to track your reading and attend a summer full of fun! View the full listing of programs on our [Events Calendar](#).

Here are just a few of the programs we're offering:

- Kate Maxwell reading from her free books for grades 5 - 8.
- July 30 the **Tang Museum** will present "Balance This" at 2:00.
- Amy David is back this summer with more of her popular nature exploration sessions on July 22 and 24 at 3:00.
- **Jim Best is also back, with Playful Clay (six sessions, Wednesdays at 6:00 July 9 - August 13. Made possible in part with a grant from the Story Quilt Arts and Literary Fund. Materials fee for adults of \$25.)**

Movies in the Galway Village Park at dusk: Friday is Family Night; Saturdays are Date Nights or Teen Movies. Titles can be found on our [Updated Movies in the Park pdf](#). Thanks to the Friends of the Galway Public Library for making this series possible, and to Alyson Bingham for the popcorn!

Thanks to the Ballston Spa National Bank and Stewart's Shops for supporting our Summer Reading Program. It is also supported in part by funds from the New York State Library's Family Literacy Library Services grant programs.

If you'd like to help make the Summer Reading Program a success for the children of our community, please consider volunteering to help out with a program, or answering our call for supplies for some of the experiments and crafts - a great way to upcycle some of your common household items! Contact Michol at the library or fill out the [Volunteer Form](#) on our website. We're offering amnesty for fines of up to \$25 to Summer Reading Program volunteers!

The Friends of the Galway Public Library's 2nd Annual Summer Wine Tasting was a success! Thanks to all who attended. Look for information on their [website](#) about their next book sale - coming soon.

Please note: the Galway Get Together will not be published on July 15, 2014. Next issue will be August 1, 2014. We're looking for volunteers to help as reporter, photographer, or editor to keep this popular community resource going. Contact the library if you can help!
