**Galway Town Board meeting will be changed** from November 11 (Veteran's Day) to November 12, 7:30 at the Galway Town Hall.

**Notes from the Oct. 14, 2014 Galway Town Board Meeting:**  
An update on the status of the Galway Public Library's proposed new building was given by two library board members who apprised the Town Board of the progress made and next steps to be taken. Through a grant, the library purchased property in the Village and has a significant sum already committed to the project, estimated to cost approximately \$3 million. Preliminary projection of a bond request for \$1.5 million is expected to be voted on at a referendum during the coming year. The plans for the library were based on community input from three well-attended public meetings. "We have considered all the steps," stated library board member Jim Hodsoll. The next step is an environmental review and determining the rate of interest on the bond the library will apply for through the Galway Central School District. The rate of interest on the bond, the change in operating costs, and the money raised preliminary to the referendum will determine the taxpayer's ultimate contribution, which will be publicized before the referendum. The public is invited to review the proposed plans displayed at the library.

**The Galway Preservation Society announces the forthcoming publication of its newest book, Galway 1900-1949, A Photographic History of Life in the Town of Galway, Saratoga County, New York.** The GPS plans to begin sales at the December 1, 2014 GPS meeting, which starts at 7:00pm and is open to the public. The GPS web site <http://galwaypubliclibrary.org/gps/> will have more information about sales as it becomes available.

**More notes from the Oct. 2014 Galway Town Board Meeting:** A CDCHP representative outlined the benefits and costs of the recommended health insurance plan for the eight town employees who would be covered. The rate is actually reduced from last year; future increases are projected at 10-12%. The Board approved the plan.
