Free Movie, "To Save A Life,"

Friday, September 18, 2015 at 7pm at Galway Central School. This film addresses many of the issues of life our younger generation is facing today and provides warning signals and possible preventative action by both adults and peer intervention. This tool will help engage parents, guardians, educators, pastors, youth leaders and teens to work toward a positive outcome for the youth of our communities. Free tickets will be distributed at the school entrance (auditorium) and drawn for door prizes at the conclusion of the film. No rsvp needed. Refreshments provided: if you would like to bake, please consider bringing a treat along.

The next **PTSA meeting** will be on September 23rd beginning at 6:30pm in the conference room (closer to the elementary wing). We will acknowledge and congratulate Deb Isle for her long years of volunteerism as well as Dave Mello for his support and commitment to our youth, particularly with our Booster program. Deb Isle continues to support, and volunteer for our youth and is a great advocate to recruit more help for PTSA. The community is invited to attend. Any questions email galwayptsa@gmail.com.

Please note: submissions to the GGT may be edited or held for future issues, due to limited space.

REFERENDUM

The Scotia-Glenville Pipe Band will host an Open House at 7 p.m. on Wednesday, September 30, at the Celtic Hall (430 New Karner Road, Colonie) for kids ages 8 and up who are interested in learning how to play the Great Highland bagpipes or Scottish drums. Pipe bands are the musical equivalent of a sports team—they travel to Scottish games to compete with other bands. They also perform in parades throughout the area.

Trudi VanOmmeren, a senior at Galway high school, has been a piper in the band since 2010. Last month she traveled to Scotland to compete in the World Pipe Band Championships. The band placed sixth out of thirty bands from all over the world, competing in the Grade 3A adult division. This was Trudi's second trip to Scotland—in 2012 the band won the World Championship in the Novice Juvenile division. Trudi is a Grade 3 competitive soloist and is also a student teacher in the band's beginner lessons program. Members of the band come from all over the Capital District, as well as Vermont, Massachusetts, Connecticut, and New Jersey. It's a great opportunity to make new friends, learn how to play a unique instrument, travel, and have fun.
