The Galway United Methodist Church will hold their annual **Garage and Bake Sale** on Friday, July 8 from 9-5 and Saturday, July 9 from 9-3. This sale is a multi-family sale that includes clothing, furniture, sporting goods, toys, tools, household items, collectibles, electronics, books, baby items and much more. The sale is held indoors come rain or shine and a bake sale will be held at the same time. The public is welcome to attend. The Church is located at the corner of Rte. 147 and CR 45 in the Village of Galway.

**Family Fun Day!** June 18 from 1:00 to 4:00 at Galway Town Hall Complex. A variety of activities will be held including Dream Ponies and Petting Zoo, the Big Slide, the famous dunking booth, DJ music, many games with small prizes, cool sno-cones, food and many fun crafts. There will also be free raffle drawings for larger prizes. We are hoping to have our various community groups participate again. This day is free of charge to all. Come and join the fun and help celebrate our youth! We are looking for many volunteers to help us with the activities planned for that day. We need the youth volunteers as well as adults. Please contact Donna Sowle at 882-1347 to sign up. We hope you will come and join the Fun!

**Crafters wanted** for Saturday, September 10, Craft Fair, 9am-3-pm at the Charlton Freehold Presbyterian Church, 768 Charlton Rd. Charlton NY. More information: [office@charltonfreehold.org](mailto:office@charltonfreehold.org) or 518-399-4831.

The **Galway Farmers' Market** is gearing up for our 2016 season. The market starts Friday, June 17th from 3 to 6pm. We are a small market, looking to continue to grow! We would love to raise some funds for more activities, entertainment and more. If you are interested in becoming a seasonal or daily vendor, contact Amanda Watrobski at 518.221.2277. Help us by donating to our go-fundme! <https://www.gofundme.com/GalwayFM>

**Galway Public Library** wishes to thank the voters for passing the annual budget, and electing the two candidates for Trustee. We appreciate your support.

The **Galway Volunteer Fire Company** broke ground on their new building at the location on West St. on June 11th. Congratulations and thank you for all you do to keep the community safe.

**Please note:** submissions to the GGT may be edited or held for future issues, due to limited space.

The **Glenville Hills Garden club** held its annual Plant & Pie sale on Memorial Day. The proceeds from this sale enable the Club to do various community projects. We plant and maintain the Post Office gardens, Elementary School gardens, flowers at the Food Pantry and in large barrels around town. We decorate the Gazebo in the Park at Christmas, and wreaths are placed at various locations to honor our Veterans. Camp Colby is an environmental camp in the Adirondacks. We send two 7th grade students to Camp Colby and sponsor two others from a Dockstader Trust Grant. We have an award for a BOCES student interested in horticulture or agriculture. We also work with 6th Graders every spring in maintaining and planting various flower beds around the Village.

**A note from the GGT editors:** please submit your information in an email in a simple, unformatted paragraph. We know it's easiest for you to attach a flyer, but then we have to retype it all. We're volunteers—please take pity on us and keep it simple. Thank you!

**SARATOGA PLAN** will be sponsoring a Photography Workshop at the Hennig Preserve on Centerline Road in Providence, NY. Linda E. Eastman, a local photographer, will lead the workshop. The workshop will cover scenic and macro photography along with the topics of composition, lighting, and using manual camera settings. The workshop will begin promptly at 9 AM and will end around noon. Participants should bring their camera and any lenses they want to use, extra batteries for the camera "just in case", a notebook and pen, and a tripod if possible. It is recommended that participants know the basics of their camera already, i.e. focusing, using manual settings, how to change ISO, shutter speed, and F stops. The group size is limited to 12, and as this has proved to be a very popular workshop in the past, early registration is recommended. Please contact Emily at PLAN's office 581-587-5554 to register or with further inquiries.

*The Galway Get Together* seeks to help build a more cohesive and conservation-minded community through local trade and networking. The Galway Public Library is not responsible for the outcome of any exchange.
