Libraries Rock for Adults!

Summer Reading @ the Galway Public Library

July 9 to August 24, 2018

Win prizes by reading books!

Find out what others are reading!

It's a win-win situation!

Read any book you want to, fill out a Recommendation Form about the book, & turn it in at the desk. This is your entry to be eligible to win a prize at the end of the summer.

Forms will be displayed at the library with the corresponding books, and recommendations will be shared on social media.

Open to anyone at least 18 years old who has a library card.
(No card? Sign up today – it's free!)

Register at the library to participate.
You get a free book when you register!
How cool is that?!
