

To participate in the Summer Reading Program, “Libraries Rock”

Sign up at the library beginning on Monday, June 18. Reading minutes count starting on June 25. You can sign up at any time during the summer. At the library, you will receive information on how to then sign up online to keep track of your reading time and event participation. If you don't have computer access, there will be information for signing up on paper. For every accumulated 2 hours of reading and every event you attend, you will receive a raffle ticket for our many prizes. We will offer more detailed information on all aspects of the program at the library.

Summer Reading runs from June 25 to August 23. Lunch will be provided for children at 1:00 on Mondays, Thursdays and Fridays at the library. Summer Reading Program events at the library are planned for Mondays and Thursdays. The Summer Reading Program events are at 2:00, and the regular library Youth Program events are at 3:30.

There is a New York Reads program, called MyON, offering free e-book borrowing from April 30 to September 30. This works on computers, ipads, and tablets, but does not work on smart phones. There is a limit of 20 books “checked out” at a time.

Login information for younger students (through elementary age) is:

School Name: Southern Adirondack Library System

Username: salsstudent1

Password: read

Login information for older students (junior and senior high) is:

School Name: Southern Adirondack Library System

Username: salsstudent6

Password: read

Also check out:

www.summerreadingnys.org for lots of free reading activities, games, links, suggested reading lists and valuable information for families.

<http://daybydayny.org>, a virtual literacy calendar that changes daily and includes activities, stories and information for parents and young children.
