

GALWAY PUBLIC LIBRARY

SERVING THE GALWAY CENTRAL SCHOOL DISTRICT SINCE 1998

ANNUAL NEWSLETTER 2018

THANK YOU !

As you are probably aware, in June 2017, funding to build a new library building was approved by the voters of the Galway Central School District. Since then the Board of Trustees has been meeting with Butler Rowland Mays Architects to finalize construction documents for the project. The project went out to bid in early April, and bids were awarded in May. We are very excited about the prospect of a new facility to continue to serve the needs of the community.

Work is scheduled to begin in early June, with the official Groundbreaking Ceremony on Saturday, June 30 at 1 PM. Everyone is invited to celebrate this new addition to our community! Children are invited to bring toy shovels.

Construction is projected to be completed by June of 2019.

To the Galway Community, a Huge Thank You!

With the generous support of community members, the library opened in July of 1998. Although the library was established by referendum of the taxpayers of the Town of Galway in November 1997, no public funds were available until January of 1999. The community worked together to open the library. The Odd Fellows provided their building rent free; the Lions Club provided start-up funds; people donated books, a telephone, a copy machine; the Galway Preservation Society loaned a computer; and Union College donated discarded library shelving. Volunteers, 125 in number, stepped forward to operate the library for more than a year. Community residents contributed \$28,000 to the Founding Membership Drive to ensure the library's success.

In the intervening years, the community has helped the library to grow to the point where the library has outgrown the building on North Street. Last June, taxpayers in the Galway Central School District supported a referendum providing \$1,150,000 in public funding for the construction of a new library. Since then, the library's grants and fund development committees have been working to secure much of the remainder of funds needed to construct a new building on East Street.

Major donors to date include the Dockstader Charitable Trust, \$925,000; Stewart's Shops/the Dake Family, \$100,000; the GE Foundation, \$37,323 in matching funds; The Friends of the Library, \$15,300; the William Gundry Broughton Charitable Foundation, \$15,000; Ballston Spa National Bank, \$10,000; First Presbyterian Church of West Galway, \$5,000 and the JM McDonald Foundation, \$5,000. Additional funding includes a New York State Construction Aid grant of \$140,106, bullet aid through the offices of Assemblywoman Mary Beth Walsh, \$13,000 and Senator James Tedisco, \$4,000, and contributions by the members of the Boards of the Galway Public Library and Friends of the Library, \$47,680. Additionally, individuals have contributed \$65,000 to the new building fund. Thank you all!

There's still time and a need for everyone to have a part in the new building project. Funds are still needed to complete the acquisition of furnishings and shelving, AV equipment and landscaping. A capital fund brochure was mailed to school district residents a few weeks ago. We ask you to consider a contribution to the New Building Fund, a lasting gift to the Galway community.

As the library marks its 20th anniversary this July, we thank you for the generous contributions of volunteer time and money through the years. With your help the library was established. With your help, the new library building will be completed by next summer.

Board of Trustees

Arlene Rhodes, Fred Baily, Mary Lynn Kopper, Kayla Dodds, Donna Erickson, Judy Knowlton, and Jane Behrens

Meet our newest Trustees, Jane Behrens and Kayla Dodds, elected to the Library Board of Trustees last June.

Jane: I like to volunteer because I enjoy having a purpose and helping others. Being on the library board allows me the opportunity to be part of building a new structure that will be a source of pride for all the residents of the Galway Central School District. My husband and I moved to Galway in 2012. The library was our first connection to the community. I went from volunteering, to joining the book club, to running for the Board. These experiences have enabled me to meet a group of people who are bright, thoughtful, and caring. Before I came to Galway I taught high school on Long Island. My last years were spent teaching advanced placement macroeconomics. I loved the opportunity to open new windows of knowledge for my students. Right now my favorite things to do are to travel and spend time with our grandchildren. I try to also fit in golf, reading, and learning to play mahjong. Retirement affords me time I did not have when I was busy raising our family and working. I am blessed with a husband, Walter, three beautiful children: Jenn, Katie, and Doug, and five wonderful grand children who are the light of our lives.

Kayla: My grandmother volunteered at a library, and I have been a longtime volunteer at this library. After working as a mechanical engineer at GE for 31 years, I recently retired, and the library seemed the perfect place to continue volunteering. I also volunteer at the Saratoga Food Pantry where I recently created a new database with macros for their monthly reporting. I am very involved in The Church of Jesus Christ of Latter-Day Saints. At church I am the Compassionate Service Coordinator, a substitute Sunday School teacher, and the secretary for the Young Women's Camp. I was born in Huntsville, Alabama, but have lived in Galway for 25 years. I love the small town atmosphere, being in the foothills of the Adirondacks, the mountain views and the woods, but I also like the access to Saratoga. I adopted my two daughters as infants from China. Jocelyn is now 23, married, and lives in Orem, Utah with the best son-in-law in the world. Jamie Sue, 19, is attending BYU Idaho and is currently on an 18-month mission trip for the church. My hobbies include cooking healthy food and gardening. I enjoy serving on the Board and have learned a lot, particularly about the financials and how the library operates. I really like being the secretary and working with the other members of the Board toward a common goal.

Libraries Rock!

This year's theme for the Summer Reading Program is "Libraries Rock!," and will emphasize geology, archaeology, and rock 'n' roll. The program encourages reading and participation in fun events. Readers track their minutes reading and the programs they attend to earn raffle tickets for prizes. Summer Reading will run from June 25 through August 23, and registration begins June 18. Our Summer Reading activities include starting a rock collection, making our own archaeological digs, making rock candy and "geodes," baking cookies (metamorphic and sedimentary), creating a PVC pipe "singing tree," and vegetable instruments. There will be presentations by Brookside Museum, the Tang Museum, Wilton Wildlife Preserve, and the Wildlife Institute of Eastern NY. On our last day, we will have a Salsa Awards Party with music to dance to and salsa made from our garden vegetables.

Our regular youth programs will also continue throughout the summer, including Pokémon Club, Lego Club, Tinker Thursday, Artful Monday, Crafternoon, Garden Club, Marvelous Machines, Weather Around Us, Story Time, and Makerspace. Visit us at www.galwaypubliclibrary.org for dates, additions, and descriptions of all our programs. The programs are free, but we encourage registration, as group sizes are limited.

This summer, in cooperation with CAPTAIN Youth Services, we will be offering free lunch on Mondays, Thursdays, and Fridays at 1:00 beginning Monday, July 9 and ending Friday, August 24. Any child is eligible to receive a free lunch. Our youth programs are on Mondays and Thursdays, so a child can come for lunch and stay for the scheduled activities. It will be an exciting time for all.

Galway Public Library is thankful to AC Moore, Galway Family Insurance, and Stewart's Shops for their support of our children's programming and book collection.

Grants for Children:

The **Friends of the Galway Public Library** is a volunteer group which provides support for **OUR** library. Our board is made of community residents and our responsibility is to organize fundraising events to support library programs which are not funded by the library budget. Additionally, the funds raised will support the new library project. We have a couple events coming up over the next few weeks. Please join us for some fun and support our library. Volunteers are always welcome. Contact us if you can help.

June 5 – Wine Tasting at the Cock 'n Bull 7-9 PM

We are also looking for volunteers to serve on our Board. We currently have two positions available. If you are interested, please contact us at friendsofgalway-library@gmail.com.

 First in a Series - Meet long-time volunteer, Jeanne Frank, and newest volunteer, Gretchen Jewell:

Hi, I'm Jeanne Frank. I've lived in Galway all my life, and I'm a child care provider. I believe the library is extremely important to this community. When it started, I joined the large group of volunteers who ran the library. I enjoyed visiting with the patrons every Saturday morning when I was the volunteer clerk. Over the years, I've been a member of the Friends and library boards, set up some kid programs, started adult coloring and knitting groups, and participated in the Story Quilt project. Now I volunteer by covering the new books and preparing newsletters, etc. for mailing. When my sister, Evelyn, and her family moved back to Galway, she too became involved with the library, starting the Writers' Group which I attend. Our involvement with the library has enhanced both of our lives. One of my recent hobbies is crocheting. I've made over 200 baby afghans, many of which were made with yarn donated to me by community members when they read in the *Galway Get Together* that I donate the afghans to non-profits.

Hi, my name is Gretchen Jewell. My husband, Tom, and I returned to Saratoga County, settling in Galway two years ago. Our children and grandchildren live within 25 minutes from us. We also like the fact that we are close to Saratoga and surrounding areas. Currently retired, I was employed by Union College for 16 years, returned to academics to earn my Masters in Art Therapy, ending my career as a caseworker for the Department of Social Services. Volunteering provides an opportunity to get to know the community. Family and career have an effect on the time available for volunteering. Now that I am retired, I have the flexibility to meet the commitment required by volunteering. My main interests are quilting, watercolors, and travel. We enjoy boating on Sacandaga and many other lakes. My most enjoyment comes from family, especially the grandchildren!
