Good morning! My name is Jess Fragnoli, I live across the street at 2119 East Street with my family of 5. We are known around town as "the skeleton house" due to our elaborate Halloween decorations that change weekly with our skeletons which I'm sure is noticed by library goers and workers. Throughout the last 2 years of doing these displays we have received an enormous amount of positive feedback and we'd love to use that to give back to the town we love so much. This year we are planning to host a haunted hayride on October 20th and 21st for our community with help from our community. Our admission fee for this event is one nonperishable for the Galway food pantry or one animal item to be donated to the Saratoga animal shelter. We are going to have volunteers to help put on the shows and are having local businesses sponsor us. The reason I'm reaching out is to ask if we could use your parking lot for the event and if the library could help in promoting the hayride. I'm going to be contacting the Galway fire police to help with parking/ crossing and security to keep things orderly. I look forward to hearing from you!

Thanks,

Jess Fragnoli
