

SMALL WORKS ART SHOW AND SALE

Many galleries hold an annual art show exclusively for small works. I would like to organize an exhibition and fundraiser for the Galway Public Library, asking local artists to donate works of art.

Nothing can be larger than 12 inches in any direction.

All work must arrive ready to be hung or displayed.

All works are displayed anonymously, but makers can put their names and contact details on the reverse or underneath.

All works are for sale, with all proceeds going to the Galway Public Library.

All works are priced at \$20 minimum, but people can place bids if more than one person wants a particular artwork.

The deadline for bids is the last day of the exhibition.

Art show would ideally take place for a minimum of two weeks in November, to maximize potential for holiday gift sales.

Any unsold pieces are returned to artists.
